The SPEAKER pro tempore. The Clerk will report the motion to recommit.

The Clerk read as follows:

Mr. Hudson moves to recommit the bill H.R. 1446 to the Committee on the Judiciary.

The material previously referred to by Mr. HUDSON is as follows:

At the end of the bill, add the following:

**SEC. __. RECIPROCITY FOR THE CARRYING OF
CERTAIN CONCEALED FIREARMS.**

(a) IN GENERAL.—Chapter 44 of title 18, United States Code, is amended by inserting after section 926C the following:

"§926D. Reciprocity for the carrying of certain concealed firearms

"(a) Notwithstanding any provision of the law of any State or political subdivision thereof (except as provided in subsection (b)) and subject only to the requirements of this section, a person who is not prohibited by Federal law from possessing, transporting, shipping, or receiving a firearm, who is carrying a valid identification document containing a photograph of the person, and who is carrying a valid license or permit which is issued pursuant to the law of a State and which permits the person to carry a concealed firearm or is entitled to carry a concealed firearm in the State in which the person resides, may possess or carry a concealed handgun (other than a machine gun or destructive device) that has been shipped or transported in interstate or foreign commerce, in any State that—

"(1) has a statute under which residents of the State may apply for a license or permit to carry a concealed firearm; or

"(2) does not prohibit the carrying of concealed firearms by residents of the State for lawful purposes.

"(b) This section shall not be construed to supersede or limit the laws of any State that—

"(1) permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property; or

"(2) prohibit or restrict the possession of firearms on any State or local government property, installation, building, base, or park.

"(c)(1) A person who carries or possesses a concealed handgun in accordance with subsections (a) and (b) may not be arrested or otherwise detained for violation of any law or any rule or regulation of a State or any political subdivision thereof related to the possession, transportation, or carrying of firearms unless there is probable cause to believe that the person is doing so in a manner not provided for by this section. Presentation of facially valid documents as specified in subsection (a) is prima facie evidence that the individual has a license or permit as required by this section.

"(2) When a person asserts this section as a defense in a criminal proceeding, the prosecution shall bear the burden of proving, beyond a reasonable doubt, that the conduct of the person did not satisfy the conditions set forth in subsections (a) and (b).

"(3) When a person successfully asserts this section as a defense in a criminal proceeding, the court shall award the prevailing defendant a reasonable attorney's fee.

"(d)(1) A person who is deprived of any right, privilege, or immunity secured by this section, under color of any statute, ordinance, regulation, custom, or usage of any State or any political subdivision thereof, may bring an action in any appropriate court against any other person, including a State or political subdivision thereof, who causes the person to be subject to the deprivation, for damages or other appropriate relief.

"(2) The court shall award a plaintiff prevailing in an action brought under paragraph (1) damages and such other relief as the court deems appropriate, including a reasonable attorney's fee.

"(e) In subsection (a):

"(1) The term 'identification document' means a document made or issued by or under the authority of the United States Government, a State, or a political subdivision of a State which, when completed with information concerning a particular individual, is of a type intended or commonly accepted for the purpose of identification of individuals.

"(2) The term 'handgun' includes any magazine for use in a handgun and any ammunition loaded into the handgun or its magazine.

"(f)(1) A person who possesses or carries a concealed handgun under subsection (a) shall not be subject to the prohibitions of section 922(q) with respect to that handgun.

"(2) A person possessing or carrying a concealed handgun in a State under subsection (a) may do so in any of the following areas in the State that are open to the public:

"(D) Land administered and managed by the Army Corps of Engineers.

"(E) Land administered and managed by the Bureau of Reclamation.

CONGRESS MUST CARE FOR ALL

(Mr. BOWMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOWMAN. Mr. Speaker, I am proud to rise today to discuss the introduction of our Care for All Agenda.

Just as our physical infrastructure is crumbling, we suffer from lack of care infrastructure. In America today, millions of people cannot get care for themselves or their loved ones. We are failing children, older adults, people with disabilities, and all Americans.

And we don't care for the people who take care of us. Millions of care and domestic workers, disproportionately women of color, are exploited and paid poverty wages.

With bold, holistic public investments in the care economy, we can heal these wounds. We can substantially raise wages and benefits for workers. We can create millions of new zero-carbon care jobs. And we can create universal programs to guarantee care to all people. These investments are a crucial part of the Green New Deal. We cannot have a truly just, sustainable America without a healthy foundation of care.

The Care for All Agenda, introduced with 30 of my colleagues, and with the support of over 90 movement partners, lays out how centering care can be the rebirth of our Nation.

Join us in building a care community and society based on care for people, communities and the planet we all share.

GUN CONTROL BILLS WOULD RESTRICT RIGHTS

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today in opposition to these firearms and background check bills that would not be effective in ending gun violence.

Instead, these bills would restrict the Second Amendment rights of law-abiding Americans. Simply increasing the number of laws and adding more hurdles to lawful gun ownership does not get to the core of reducing gun violence.

These changes to the background check system won't stop criminals from obtaining firearms. Why don't we focus our efforts on smart policies that would actually reduce the number of gun deaths?

Last year, more Americans bought more guns than ever. In fact, gun ownership has grown significantly over the last 20 years, but we have also seen our violent crime rate drop over that same period. Rather than going after law-abiding citizens, let's figure out where we can work together to address the real problems here. Let us invest in solving the real policy questions we can answer instead of restricting Americans' freedom.

Mr. Speaker, I urge my colleagues to oppose these bills.

DELIVERING ON COMMITMENT TO BUILD BACK BETTER

(Ms. KAPTUR asked and was given permission to address the House for 1 minute.)

Ms. KAPTUR. Mr. Speaker, I rise to celebrate the critically needed support for northern Ohioans in the American Rescue Plan, which has just passed this House.

For months, we fought to provide direct support to people across our country who were suffering during the pandemic. I am thrilled that the bill provides vital support for families, communities, essential workers, and small businesses.

The bill provides \$1,400 in stimulus payments to spur our economy and help families, funding for vaccine distribution, and a historical increase of the child tax credit from \$2,000 to \$3,000.

Let's be clear: The Republicans' opposition demonstrates their callousness during this time of great human need. They cite the deficit. Yet, I didn't hear a peep from the other side as the national debt ballooned under previous Republican administrations.

President Bush's ill-advised wars have cost us nearly \$2 trillion, and the debt increased by \$676 billion. President Trump's GOP tax scam increased the deficit by \$1.8 trillion, helping to lead to an increase in national debt by \$7.8 trillion.

Mr. Speaker, I am so thankful to President Biden for delivering on his commitment to Build Back Better. The American Rescue Plan now goes to the President's desk for signature. I can't wait.

Mr. Speaker, I thank the Democrats.

HONORING U.S. ARMY VETERAN DENNIS DAVIS

(Mr. MOONEY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MOONEY. Mr. Speaker, today, I rise to honor a great West Virginia icon and U.S. Army veteran, Mr. Dennis Davis, who passed away on January 19, 2021.

Dennis was the cabinet secretary for the West Virginia Department of Veterans Assistance. He understood the needs of our veteran community.

Dennis had also been a member of the West Virginia State University ROTC program. I enjoyed our time together as we met with veterans all across West Virginia's Second District.

During his lifetime, Dennis was the much-admired director for West Virginia Workforce Development, an educator who helped guide citizens toward jobs, opportunities, and fulfillment in their lives.

We commemorate his leadership, his service as an Army veteran, and his dedication to our great State. May his legacy forever live on to inspire hard work, devotion, and service.

COMMEMORATING TIBETAN UPRISING DAY

(Ms. OCASIO-CORTEZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. OCASIO-CORTEZ. Mr. Speaker, I rise today to commemorate the 62nd anniversary of Tibetan Uprising Day.

Mr. Speaker, I have the honor of representing an incredibly diverse community of individuals at home in New York 14, many of whom are Tibetan. In fact, one of the largest constituencies of Tibetans in the world makes its home in New York 14.

For decades, the Tibetan people have bravely fought for their freedom, including to seek and fight for the freedom to simply be Tibetan: to speak their language; to practice their Buddhist religion; to sustain their culture, their traditional medicine, and their land; and to live freely in their own country.

It is the responsibility of all those who value freedom of speech and expression to stand with them against gross human rights abuses.

Mr. Speaker, I am proud to stand with the Tibetan residents of New York 14 and all those across the country in their righteous fight against persecution.

DELIVERING RELIEF THROUGH AMERICAN RESCUE PLAN

(Mrs. LEE of Nevada asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. LEE of Nevada. Mr. Speaker, I rise today on behalf of Nevada's Third District.

With the passage of the American Rescue Plan, we have delivered on our promise to provide the relief that is so desperately needed 1 year after the COVID-19 pandemic broke out.

The pandemic has been especially hard on my home State of Nevada. The primary pillar of our economy, travel and tourism, has been absolutely devastated. It is not just our casinos and our hotels that have been hit, but our restaurant and convention workers, our entertainment and stage workers, and our aviation workers.

With the passage of the American Rescue Plan, we will save lives and get our economy back on track. We will get vaccines into arms. We will get our kids safely back into schools with the \$130 billion investment to get schools open and make up for lost time in the classroom. We will get people back in jobs with the expanded PPP loans, relief for restaurants and shuttered venues, and more. And, of course, we will get money into people's pockets immediately through the direct stimulus checks.

Mr. Speaker, in short, America, help is on its way, and it couldn't be more urgently needed.

GUN SAFETY MEANS MORE EQUITABLE FUTURE FOR ALL

(Ms. LEGER FERNANDEZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEGER FERNANDEZ. Mr. Speaker, I rise to add my voice to the passionate voices born of grief that we heard from today, to join my heart with their hearts.

Gun violence robs our communities and our families of innocent lives, innocent worshippers, innocent shoppers mowed down just because they are Latinos.

I rise for the children in too many schools who have lost their classmates, for the families who mourn their young, for the students who organized and petitioned us to act against gun violence with sensible laws. I am glad we passed the gun safety legislation to stem the epidemic of gun violence.

Mr. Speaker, New Mexico has the fourth-highest gun death rate in the country. Today, we took a common-sense, critical step to keep our New Mexican, our American, children, families, and communities safe, to drive us toward a more equitable, thriving future for all.
